## **PLAYLIST**

As we continue to grow in our relationship with God and in intimacy with Jesus, these songs express our longing for the nearness of God and for our desire to be transformed through the Holy Spirit- to lean into the Lord, to trust God with our lives and surrender all.

This playlist can also be a starting point for you, and we encourage you to create your own playlist of songs (on Spotify, Apple Music, Youtube) that speak to you more personally of who God is and allow you to draw near to him as he draws near to you.
